PLAN

Bringing together our professionals, we've got the best idea to offer you!

CG

Striving for greater quality, we continue to search for innovative expression!

DESIGN

From graphic designing perspective, we bring new ideas to movie production!

VR

The technology we use is up-to-date, and our playful mind is up for a challenge to search for new horizon!

PRODUCE

We support overall production, and use digital technology to make the "expression of future" come true!

PROGRAMMING

Linking with movie and CG, we bring innovation to programming specialized in entertainment!

LIVE GRAPHICS

Our real-time CG effect of best quality will fill the live show venue with excitement!

SHOOTING

We take care of all filming type such as 4k, 8k, 360° panoramic and stereoscopic from the start to the finish!

WEB

Cooperating movies and CG, we create websites that are never seen before!

VFX

Remarkable scenes will leave remarkable legacy with our forefront visual effects!
